

Our Program

Cornerstone Preschool provides a loving Christian environment in which children may have an opportunity to socially interact with others, share feelings and possessions, learn to cooperate, build positive independence away from home and develop self-esteem.

Teachers are dedicated to seeing that our children reach their individual preschool potential in the following areas of development.

- ✦PHYSICAL
- ✦INTELLECTUAL
- ✦EMOTIONAL
- ✦SOCIAL
- ✦SPIRITUAL

Bible Time

The Christian cornerstone of our school is The Bible. We model the worth of knowing God's Word and sharing its truth with others. We also teach Christian values through Bible stories, songs, art, and prayer. Because of our commitment to Christ and our devotion to God, these Christian values are our *focus*:

- ✦JOY
- ✦LOVE
- ✦FORGIVENESS
- ✦SHARING

9:00-11:30 AM \$200/month

*Registration fee - \$40.00 per family
*(non-refundable)
*Make checks payable to
Trinity Church/Cornerstone

Mom & Dad Time

Our School Board Members and Staff encourage parental involvement. Moms and Dads are invited to participate and volunteer in our classrooms if they have current PA clearances on file.

Early Childhood Screening

To identify children who are either gifted or in need of learning support, we coordinate with the services of the local Intermediate Unit.

ABC's & 123's

The educational cornerstone of our preschool curriculum is the belief that every child has a unique, God-given potential.

Our academic program focuses on the development of fine and gross motor skills, as well as school readiness activities and discovery learning through:

- ✦READING READINESS
- ✦MATH READINESS
- ✦MUSIC
- ✦ART
- ✦SOCIAL STUDIES
- ✦SCIENCE

These are designed to challenge and prepare each child for their academic years in the surrounding school districts. Cornerstone also partners with local organizations to bring new experiences to our children. Tae Kwon Do, Gymnastics, Dance, Music and Movement, and special visits from local police/ambulance/fire rescue vehicles and community workers take place on each Friday throughout the school year. All children enrolled in classes that meet on Fridays have the opportunity to participate in these experiences.
