

Welcome!

Trinity is a congregation seeking to live genuine, transparent lives, sharing the love of Jesus Christ as we serve our surrounding communities. Our passion is people! Our mission is developing faith, strengthening families, and making friends.

Trinity is a place where skeptics are welcome and the curious are invited into meaningful conversations. Our desire is to see undecided people become fully devoted followers of Jesus Christ. We're so glad you chose to visit our website today and we invite you to worship with us in the near future.
