welcome

If this is your first time visiting with us, we're glad you're here! Please fill out the Communication Card that's in your bulletin and stop by the Welcome Center in the lobby – we have a gift for you. You may also pick up an audio amplification unit at the Welcome Center, if needed.

At the Welcome Center you'll also find "Quiet Folders" for any children sitting with their parents during the service. You may take home any used activities and return the folder to the Welcome Center.

A pastor is available to meet with you in the front of the sanctuary at the conclusion of the service.
