

WELCOME!

Trinity Church is a congregation that is seeking to live genuine, transparent lives while striving to share the love of Jesus Christ with our surrounding communities. Our passion is people! Our priorities are developing faith, strengthening families, and making friends.

Trinity is a place where skeptics are welcome and the curious are invited into meaningful conversations. Our desire is to help ALL people love and follow Jesus. We are so glad you chose to visit our website today and we invite you to visit our church in the near future.
