Below is a list of classes that are being offered. Once a class has reached full capacity, a waiting list will be started. Please do not hesitate to contact us when making a class selection.

Cornerstone Preschool is a private Christian preschool located in Trinity Church of Boyertown. We strive to offer a well-rounded curriculum that values play, character building, and spiritual, social/emotional, academic, and physical growth.

New to Cornerstone? We encourage you to set up a time to take a tour! This allows both parties a chance to connect and prepare for a more successful school year.

For help with registration, selecting a class, or to schedule a tour, please contact the Director, Celeste Jenkins, at cjenkins@trinityboyertown.org or 610-369-1507.

Staggered drop-off/pick-up allows more class time for Pre-K and less hallway congestion for other classes.

****Children must meet this age restriction in order to attend the selected class. Children will not be permitted into a class if they do not meet this age requirement.**

Birthdates are considered along with a child's social/emotional, language/communication, physical, and cognitive development. As the standards/expectations for children in primary school have increased exponentially over the past few years, we believe these dates can be in the best interest of the children, but also acknowledge that there are exceptions.

Please contact Celeste Jenkins with any questions or for help in selecting the best class. Once a child is registered, you can change their class selection as long as there is an opening.
