## Healing the Paralyzed Man

John 5:1 – 15

### Ponder this . . .

1 Peter 2:24 (NIV) . . . “He himself bore our sins” in his body on the cross, so that we might die to sins and live for righteousness; “by his wounds you have been healed.”

Sometimes, Jesus heals our bodies. What kind of healing does Peter describe?

In what way(s) might this kind of healing impact our lives, regardless of our health or strength?

What should we walk away with?

**Where are you stuck? Or in need of assistance? What do you imagine help might look like?**

**If your need is greater than you can imagine a solution; what might be your prayer?**
